“ *I have just learned of Capt Darby's death and want to express my condolences as well as to honor his memory and the period I was privileged to serve on the USS Samuel N Moore (DD-747) in 1956-57 while he was the skipper. I was fortunate to renew memories with him at a Moore Reunion in Florida a number of years ago. He will be missed by many and salute him again.*

“ While not communicating with Lee as much as some. The times that
I was Blessed to talk with him will be cherished. The Lord took

“ Well, Old Friend, you entertained us with your wit and wisdom, and
we always took note of your domestic engineering day, which told
us you would not be on the air with the group. I always delighted in
your use of the phrase from time to time, with which you ended a
comment, namely "anywhoo". You will be greatly missed.

“ *We have Lee on the air for over twenty years as a ham for over fifteen years. He had few equals and no peers. Always a gentleman an a sholar.*
