“ *Although I had not met the Captain, I have a profound respect for the courage and drive of his son Steven. One can only pursue a life's work in honoring our troops and fallen due to ethics and principals placed in their heart by their parents.
Fair winds and following seas, Sir.*

“ *I didn't know Chuck that well, because I live out of state. However the times that I was with him was great. I could tell that he was a strong man with the will to do anything. I will never forget the boat ride to Captiva!! Which I would of had the opportunity to know you better, but the short time that I had I will cherish. Never met a real "Captain" before!! Your "sea" blue eyes i will always see as the captain you will always and forever you will be.*

“ We can't even begin to say Captian; how you were such an important part of our lives. You were an idol, mentor and Father. We enjoyed spending our Thanksgivings and Christmas's together as a family. We enjoyed going to all the wonderful places with you by boat. We will miss the way you would sit back with your arms crossed and give that "Captian" look. We know even though you are not physically here with us you are still walking everyday side by side with us. Your strength will live on with us forever. With all our LOVE always and forever. “ I met Captain Chuck by accident in 2001 when I hired him sight unseen for a charter from Mobile AL to Burnt Store Marina. During that voyage I got know and like him, but it was really during our numerous "airport shuttle" rides and our discussions about boating, politics and life that I began to understand and respect his adventurous spirit, kind heart and love for life. When Sandy and I decided to get married aboard the Sanibel Princess on Charlotte Harbor in 2005 I knew that having "The Captain" officiate at our ceremony would make our wedding even better. As you can see in the photos he did a fantastic job! Sandy and I will miss him, but even now when I close my eyes I can picture him out on the water, at the helm, enjoying life to the fullest.

“ Hey Steven (and Christie and Vanessa)...so sorry to hear about your dad. I have long ago memories of him from Marion Drive and the Thousand Islands. Good ones to be sure! “ There are no words that can express the deep love, respect and admiration that I have for our dear Capt. Chuck. Not only was he the best brother in law EVER but he was a dear friend and like a father to me. Chuck's great wisdom has been a gift to me as he taught me good clean living and hard work is the key to a great life. As I remember wonderful time spent with him it is an inspiration and reminder to make the most of every day and every second, life is a gift that should never be taken for granted. Chuck has made a huge, very positive difference in both my sister Karen's life and mine. We will hold this goodness in our hearts forever and use it to carry on. It was an absolute honor to have had Chuck as a part of our family and an amazing friend.
My sincerest regards go out to his children and family. Until we meet again my dear Capt. Chuck I hold you near and dear forever and always.

“ I am so sorry that we have lost such an amazing man ! Through the sadness I know that there is always a smile because he touched so many people in so many positive ways. As I sit here and read these notes through tears I cannot help but think of all the wonderful memories of Chuck. His sparkling blue eyes and magnetic smile were just the exterior of a wonderful soul! I had the fortune of sharing our birthdays last year over one of Karen's wonderful meals and I feel like I have been honored and I will forever cherish that evening with fantastic people. How wonderful to leave a legacy where everyone thinks of you and can only smile and feel warmth inside! Karen: I love you and if there is anything I can ever do to help heal your broken heart please let me know. I know how much love surrounds you right now and always.

“ It is hard to find the right words to express the loss felt from Dad's passing. Reading these wonderful tributes is a great gift - to know how deeply his life touched others. He lives in my heart forever with many warm memories. Love knows no bounds...nor does the strength of my father's spirit. He is in every sunset, every wave, every strong wind, every calm sea. I love you, Dad.

“ How appropriate that I was on a cruise to Cozumel sailing the blue seas, Captain Chuck on 1-13-12 I lost a great friend when you left us to sail on free of pain. You realized with your Captain Wisdom the obstacles were too great to overcome and you had to change course! Everytime I am around water I will feel your spirit and love of the sea. The memory of you at the helm of your ship makes me smile knowing how all your friends felt safe and happy on your boat. You will always be in our hearts forever - and I am speaking for all your friends! You are loved and most important "Respected" as a great man! May you protect and watch over us that are still sailing our own seas on earth!!!
Love you and miss you so much my friend. Lisa
