“ *I am so sorry for the loss of such a beautiful person. She touched many peoples lives in so many ways and will always be remembered. I am happy that I had the chance to be a part of her life and to still be able to see her through my children.....(That "DeLeon" nose! :) ). I am also grateful that she was able to be a part of my children's lives so that her memory will live on in them. Carmen, I love you and will never forget you. Thank you for always being you and always being there. You will be missed.*

“ All of my earliest memories include my titi Carmen. Throughout my life, she has been an inspiration, a confidante, a counselor, and an inspiration. She bought me my first bike, took me to our special diner, dairy queen, and red lobster. Through it all, we talked. We discussed serious issues, interesting topics, and silly, insignificant, things. To me, it was all important and I was always captivated by the beautiful aura she emanated. A tremendous void has been created in my life and I will never be the same. My deepest sympathies go out to my cousins Ketsie, Nelson, Carlos, and their children. My prayers are with you for comfort, peace, and strength. I love you all. God bless you.

U have made me the woman and mother that I am today n for that I am very grateful. U are the type of woman that I always dreamt of being but I am that by far. You always were there for me even in my rough years but u NEVER gave up on me not once.I have so many good memories that will stay so dearly in my heart. Now u r my guardian angel watching over me.
