“ Pat/Callen,

I was out of town and so sorry to not have been able to make the service for Carol. Since Pat was one of my first partners when I started at EMS many years ago, I got to meet Carol early on. She always had a great smile that everyone got to see !

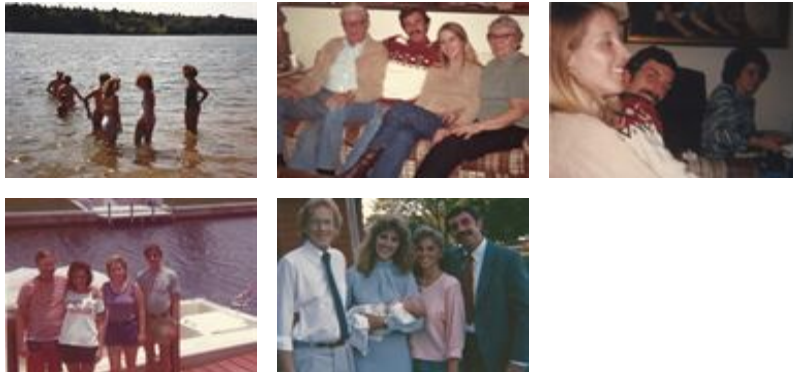

Prayers for you and the family,

“ Pat and Carol welcomed me into their home in 1981, as I started my career with LCEMS. Arriving solo from Vermont, each holiday they would insist I join them for the festivities. I will never forget their kindness.

Carol always had that warm smile, and would make me feel loved and at home.

Pat had a little fishing dingy we christened The Carol Louise.... used to fish in Baucolm pond.

I think of my Walsh family often, and those fond memories will keep me going each day God gives me.

My love to Pat and Callen....
