

Carole Anne Malone

February 15, 1938 - January 19, 2021

Carole Anne Malone passed away January 19, 2021. Carole was the beloved wife of Donald Malone for 62 years and the loving mother of Steven Malone (Aurora), Heather Malone, and Susan Vines (Ron). She also has six grandchildren, Michael and Ryan Malone (Sara), Donny and Dillon Rios, Jayme and Cory Vines (Kristen), and Kristyn Vines Toth (Joe), and one great granddaughter, Aliyah Rios. Carole was preceded in death by her parents, Harry and Muriel McGinness, her son-in-law Ron Vines, as well as grandsons Donny Rios, and Jayme Vines.

Carole was the strength of the Malone family, and volunteered at multiple organizations. The family lived in ten different homes in four states and two countries. Carole never complained about moving. She simply pitched in and organized the moves, and then enjoyed the adventures of a different place. Carole had a sweet, gentle disposition. She never got angry or out of sorts. Even when stricken with Alzheimer's in 2013 she never lost her gentle manner and was easy to care for.

We will remember her sweet smile and gentle manner. Her presence will be greatly missed.
