Mom,
I miss you every second of every day... your ashes sit in a beautiful urn that dad bought for me and I am able to have you with me. Gianna is finally home mom... we did it and because of you, I never gave up. It's coming up on four years and I still can't believe you're gone. I'm sorry I wasn't there, but I need you to know that I love you so much and would give anything for just one more day. I hope your proud of who I've become... I know your watching over us and are no longer in pain. We love you....
