“ *To Dad,
"The tide recedes but leaves behind
bright seashells on the sand.
The sun goes down, but gentle
warmth still lingers on the land.
The music stops, and yet it echoes
on in sweet refrains.....
For every joy that passes,
something beautiful remains"*

*As you begin your journey from this world into the
next, may your soul and body find the healing it could
not upon this earth.
Lay your earthly burdens down now and rest in peace
