

Chad Lee Cluck

January 10, 1969 - September 20, 2012

Chad Lee Cluck, age 43, of Lehigh Acres, Florida passed away following an illness on Thursday, September 20, 2012 with his loving family by his side. He was born on January 10, 1969 in Greenville, Texas, the proud son of Larry and Sharon (Borgman) Cluck. Chad was fond of automobiles throughout his life and spent his career as a master technician specializing in automotive collision repair and refinishing. When he was not at work, you could usually find him working on his own automobile projects. When the opportunity came along though, Chad's favorite thing was to get in the car and head for the shore or the dock to do some fishing. Chad was married to Jeanette (Brodbeck) Cluck and leaves her to cherish his loving memory. A Memorial Celebration with some of Chad's favorite pastimes is being planned and will be announced by the family soon. Funeral arrangements have been entrusted to Anderson-Patterson Cremation and Funeral Services, 2701 Lee Boulevard, Lehigh Acres, Florida 33971, (239) 368-7080. Those who wish to offer condolences to the family at this difficult time should visit Chad's memorial webpage at www.andersonpatterson.com and sign the guestbook.

“ Chad was always the "tough guy" in High school but it was in the past 5 years that I got to know the real Chad Cluck. Through conversation on the phone and online his compassion revealed to me an AWESOME spirit and gental soul. This world is one less class act. You are missed fellow classmate and forever remembered as a brother alumni.

“ Chad was my best friend and loving husband. He was full of life. I have so many good memories of our 8 years together. We would have celebrated our 5th wedding anniversary Sept 22nd and because of his terrible disease he couldn't make it. His passions in life were cars, video games and fishing. Unfortunately we couldn't have kids but our life was full. We had so much more we wanted to do and see but he is in a better place. He will be missed greatly and thought of everyday. He will forever be in my heart, body and soul. A piece of me is gone and can never be replaced. I love you soo much baby.
