

## Charlene Mae Herrmann

September 7, 1943 - June 26, 2022

Charlene passed away unexpectedly at home this past week. She left behind her husband of fifty-six years and her son. Her faith was very important to her, and she was active in her church. She loved her family and was very supportive of her husband. She helped her son when he was attending graduate school in the past to pursue his career dreams. She loved her dogs and put them ahead of her own health. She very much enjoyed a past family reunion and is now smiling in heaven with other family members who have welcomed her with open arms. She will be missed by family and friends and may be gone from this earth, but her memory will be eternal. Good bye mom, thank you for everything.

“ *My sister Char was always a ray of sunshine on a cloudy day. I will miss her beyond words. Even though the miles separated us most of our adult life, we always were in close contact and stayed very close. She will always have a place in my heart that can never be replaced. I will cherish forever the memories. She was truly loved - Kathleen Terpstra Lewis*

“ *My Aunt Char and my mom (her older sister) were best friends...Char was with us on family vacations laughing with us and providing unconditional love for my sister Kelly and myself. Lots of wonderful memories with Uncle Gene, Aunt Char and my cousin Gene! Both my Mom and Dad are laughing with Char with the famous "Terpstra cackle".*
