“ *As Charlie's only sister I was blessed to have shared a special bond and the sense I always had a protector...unwavering in his good nature. Neil Charlie's other sibling and I will hold you in our hearts and smile as we remember what it was to have you as our big brother. Grab a euchre game...ride your golf cart and pilot your boat in the clouds....we will miss you*

“ I am truly saddened by the loss of Charlie. We became friends very quickly when we met about 8 years ago. He and Celia introduced us to a number of their friends and we were able to join them at dinners and other social functions. American Legion Breakfast on Sundays in the winter was a given. His unending mechanical skills and willingness to lend a hand were unending. It is appropriate that we see Charlie here with a trophy for his beloved Chicago Cubs. We truly lost a champ!!

*Rest In Peace my friend*
