“ *Chuck's relatives: I can't understand why I, as one of his dearest friends of over 40 yrs. who visited him about 2 months before he died, was not notified of his death. I called to get his room # to send him a card and they wouldn't tell me. I called his good friend, Annie, and she told me of his death a month ago. WHY wasn't I notified????? Did you even put it in the Gary paper???? Betty Grimm*

*My e mail is betbaker1@hotmail.com, if you care tp answer me. Who else of his friends didn't you notify? I'm hurt and disgusted.*

*I myself did not even know of the existence of Charles. My grandfather was Samuel Mazlack, so I am assuming Charles was a brother?*
