“ *I just heard of Chuck's passing yesterday. We worked together at CP&L long ago and in 2009 served together on the board of the Central Florida Chapter of the Vibration Institute. I have many fond memories of Chuck, usually involving vibration issues and long hours at work. He was a great guy to be around and always had something to laugh about. He was quick to offer help and advice.*

*To Chuck's family, I am very sorry to hear this news. I know there is nothing that can fill the hole you have.*

“ *Chuck was my step-father and I loved him. He was the only positive force in my chaotic life. He never abused me, he wanted to see me soar and apologized to me many times. He taught me how to make egg salad and how to laugh. I love you, Chuck, may God smile upon your efforts.*

“ To the Chuck Phelps Family: You all have my deepest condolences. I was a classmate of Chuck, but I did not know him that well in high school or UA, which we both attended. However, Chuck and I had a great discussion at the Sunday Brunch from the 50th reunion. Chuck and I both worked and Babcock & Wilcox during some of the same years, but he was in Kansas and I worked in Barberton, Ohio. I am so glad I really got to know Chuck after all these years and his loss has left me feeling very empty. God Bless all of you and please know that Chuck is now in God's Paradise and has eternal life. Sincerely, Jim Stafford, Class of '62 Bath, Ohio
