

## Charlotte Frances Hase

January 18, 1943 - May 30, 2023

On May 30, 2023, Charlotte Hase passed away peacefully after a short battle with dementia. She was 80 years old.

Charlotte – or Char, as she was sometimes called against her wishes – grew up in Evansville, Indiana. She never forgot her roots, telling tales of her family, cousins & high school friends. She then went to Indiana University which prepared her for a brief career as a Spanish teacher.

After college, she settled outside of Chicago where she married and raised a family. She was a stay at home mom, frequently enjoying her kids sporting events and activities all over the state with a Diet Coke in hand. She was very creative and, without the help of pinterest, made Halloween costumes, applique sweatshirts/jeans and clothes for her kids and friends.

With her kids grown, she became a Florida native where she embraced a life of bridge, quilting (which enabled her true passion - shopping for fabric), and

relished the role of grandmother. She also enjoyed many great vacations over the years from Alaska to Austin.

Charlotte was predeceased by her husband of 30 years Kenneth Hase. She is survived by her sister, three children & two grandchildren.
