“ Dearest Cheryl you were always and continue to be my best friend. Every day you and Gary are in my thoughts and I miss you both so very much. I'm sorry I couldn't make it down, I was in the middle of Sandy Storm, not being able to live in the house for 2 months, working and my mom was reoperating in a rehab center. The boys and Mattie are in my thoughts and always will be. I came across some VHS tapes that Gary made of us at Christmas. So special. We had so many fun times. We were and are family. I love you, Cheryl. XOXO

“ There are so many memories of my big sister that there would never be enough space. I looked up to her and always thought she was the smartest and most beautiful person I knew. We shared many good times together on the Jersey shore as our kids grew up together. There is now a hole in our family and our hearts that will never be filled.
