

Christian Alexander Perez

July 18, 1994 - May 28, 2020

Christian Alexander Perez was born in Bayamon, Puerto Rico, on July 18, 1994. Christian passed away at the age of 25 on May 28, 2020 at Lee Memorial Hospital after and hard battle with cancer. Christian had a life full of battles. He treaded through rough waters with his head held up high and a smile on his face. He never let anyone know the problems that weighed him down but always made sure the ones around him were lifted up. Christian cared for everyone he met whole heartedly; he was a friend you could always count on. Christian's first love was his family. He was a provider; financially, supportively and emotionally. His second love was cars, more specifically Hondas. Before he would finish one car, he was already talking about what he was going to do to the next one. Christian was ambitious with both his cars and all through his life. He always worked toward his future; everything he did was for what was coming next. Christian is survived by his wife Kim, his daughter Nayshaliz, his stepdaughter Tamia, stepson Rickey, and his mother Brenda. His memorial service will be announced at a later date.
