“ My wonderful friends- I only met Tina one time in person and that's all it took. I have known Al since 1998 and knew from day one he was a true "brother". Wonderful people attract like kinds. I felt I knew Tina closer than what may be expected through Al and all the stories we shared on our weekly or monthly phone conversations. They came up to Beech Mountain for a ski holiday with me and my family last February and we had a fantastic 4 days. Tina was and is a true angel. I know she will watch over her wonderful boys and Al from heaven. She will TRULY be missed. I know not why God would take someone as special from such a loving family, but we all must trust and know there is a reason. Al, Jacob, Joshua and Jeremy--- Know me Lauren and Meghan are here for you anytime, anywhere

“ My deepest sympathy to you my dear cousin Albert, and family. To love so deep is to be blessed, some live a lifetime never having true love, but not you, you are truly one of the lucky ones, who has given and received true love, that kind of love never ends... Tina is now a beautiful addition to the angels we have in heaven.
