To Chris's Family: We here on Margaret Street in Key West just learned of Chris's passing today and we are all shocked and saddened. Chris was a wonderful person and we have many fond memories of him. He moved to Cape Cod over a year ago and was doing very well. He came back to visit Chuck and Steve this past May and he looked great. He was happy and loved his life off "the rock" (Key West). He was a friend and neighbor and my husband and I hosted many a Super Bowl party that Chris helped us celebrate. I understand his family hadn't heard from him in a while, but I hope it brings them some comfort that he seemed to have defeated his demons and was really on a good path. He was a gentle and kind man, and we are all better for knowing him.
