“ *We will always keep the memory of **Ciro** in our hearts. The latest memory is from September 29th 2017 to October 3rd 2017 when **Ciro** came to stay at our home while his son **Domenico** went to Italy to pick up his wife **Barbara** to bring her to Naples. He was dealing with stage 4 Stomach Cancer but was the sweetest and non complaining person we had ever been with during such a trying time. He would not complain of pain and would always say thank you and would you please for everything you did for him or he would ask of you. This was a man who we have known for almost 20 years and never saw him angry or unpleasant and had a love of family that was so genuine and amazing. Always willing to do for others and be available for everyone in need. He will truly be missed by his family who loved him and also us. **Ciro** is now free from pain and in the arms of Jesus his Lord and Savior. Peace is His now and forever. We love and miss you Dear **Ciro Bosco** relative and friend. Blessings to all the **Bosco** family and comfort for Jesus during this time and keep his memory always in your hearts. Love **Dina & Bruce***
