“ *May you Rest In Peace with your beloved Mother my friend. Claudia was a dental assistant with me, and we enjoyed many Rock Fests in Caddot, WI together. She was the luckiest person I knew. Always winning, especially Halloween costume contests with her unique outlandish outfits! Such a hard worker. A terrific friend any one could have. Would absolutely do anything for anyone! She loved her family, children and grandchildren. God bless you Claudia, I know you are at peace now in heaven!
