“ *Arlene, I was at a hs lunch at Point Breeze in Webster on Thursday and learned that Clive died the previous week. I haven't seen him for a long time as I sold my parents' house after my mother, Alice Swarc, died in 2006. When I read Clive's obituary I learned that your mother died last summer. I was sorry to learn of both their deaths. Clive couldn't have been a better neighbor. Bette Swarc Johnson*
