“ God works in mysterious ways, calls upon us when our day comes. We're never quite prepared, especially when its our child. Memories are always left behind. I didn't know Cody.... he went to school with my daughter Liliana since Elementary and what I heard of him was enough to know he was a wonderful person. On behalf of the Escobar family a prayer is said and a candle is lit for the Angel that was called upon to look over his love ones.
