

Connor Lee Green

February 22, 2013 - November 12, 2018

Connor Lee Green was born on February 22, 2013 in Cape Coral, FL, to Colt and Ashley Green. He passed away on the evening of November 12 due to injuries suffered in a car accident. He is survived by his mother and father, as well as his sister, Reagan, grandparents Leo and Threasa Cronin, Rachel Patterson, Cecilia Vega, Barry Aydelette, great uncle and aunt David and Misty Patterson, aunts Taylor Cronin, Danielle Aydelette, Sarah Patterson, Shelby Whidden, Cheyenne Green, Sierra Green, and many more family and community members that he touched in life, but are too numerous to name.

Connor was full of energy and put everything he had into everything he did. He loved being silly and making his friends laugh. He loved to help others in any way he could. Connor never met a stranger in his life, and his curious mind led him to ask questions to anyone about anything.

On October 10, 2016, Reagan was born, and Connor became a big brother. Connor made it his life's mission to be the best brother he could be, and he did. Connor doted on his little sister constantly, playing with her and loving her and even regularly making her breakfast - buttered waffles and donuts.

Among his many passions were going fishing with his daddy, working on cars with his Papa Leo, tending to his chickens with Grandma Threasa, and helping his mommy take care of his sister Reagan. He also loved watching

pro wrestling, hockey, football, and Friday night movies eating pizza with his family. Connor loved to be outdoors and was always exploring. He was inquisitive and his curious mind was always asking questions. He looked forward to going to school at Babcock every day, to learn and play with his friends. He touched the lives of everyone around him.

Connor's parents are working with Babcock Neighborhood Schoop administrators to set up a Connor Lee Green Memorial Agricultural Fund to support the agricultural programs at the school and share Connor's passion with other students. Details will be available soon. In lieu of flowers, please consider donating to this fund.

“ *Dear Connor, I never got to meet you in person, but I got to share those precious moments with your mother as she carried you throughout her pregnancy, sharing the wonderful memories of the firsts of all the beautiful "Feb 2013" babies. You are loved in all corners of the world and us Mothers from each corner of America, Denmark, Australia and Greece all mourn your loss. Sweet dreams little guy. X*

“ I had the pleasure of talking with Connor a couple of weeks ago. He had grown so much since I had last seen him. What an outgoing & sweet little boy! His face lit up when I asked about his little sister. He was very proud of Reagan. Now he is her guardian angel in heaven. He is greatly missed! My love and prayers to the family.
