“ *Hello: I am not sure if this is the Tino that worked for my Mom -Ruth Bitzer -in the 1980 and early '90's. She trusted him completely and he helped her in so many ways in the home and on the property. She would even ask him to help me when I started my family. My husband and I remember fondly his work ethic, dependability and kindness. Of course, you know this, if we are sharing the same Tino. It was amazing to know that he was 98 years old. A good man! May his memory be a blessing.*
