“ *My family had the wonderful luck to live across the street from Corey .*

*He was always such a sweetheart. When he would play with his little sister Bryanna he would include my 3 boys like they were his little brothers , they sure loved playing with him and looked up to him.*

*Corey would participate in our amazing Easter egg hunts and could regularly be seen pulling the little ones in a wagon or pushing them down our neighbor Carols driveway in Bryanna and Tristin’s cozy coop.*

*We will love you forever Corey*
