“ I miss you, so much. You were supposed to walk me down the aisle when me and Joey got married since my daddy couldn't. And you were so excited when I asked you to take those baby classes with me when me and him thought I was pregnant. Out of everyone in my family and his, you were the most supportive one. I never seen ANYONE love their children as much as you. I'll never forget the times we shared, good or bad. Or when you lived with me and Joey and we'd sit up all night because we both couldn't sleep, watching shows that Joey couldn't stand lol. I hope to see you again soon. I'll try my hardest to look out for Joey like I promised you. Love you and miss you.
