“ *There are no words to describe how we feel inside, but there is one thing we can say, we have lost our sister, an aunt, and our best friend. No one will ever replace how much you meant to us. You will never be forgotten. We love you so much. Love always and forever, the Saez Family*

“ *To every thing is a season, and a time to every purpose under the heaven A time to be born and a time to die; a time to plant and a time to pluck A time to kill and a time heal; A time to break down, and a time to build up A time to weep, and a time to laugh; a time to mourn, and a time to dance; A time to cast away stones, and a time to gather stones together; A time to embrace, and a time to refrain from embracing Ecclesiastes chapter 3:1-5. We love u and we will miss you*

“ No words can describe the feeling of loss the world has experienced. Your beauty, laughter and smile will always warm the hearts of every single person you have touched. I am happy you don't have to suffer anymore are now healed. Angels don't belong on Earth and your right at home where you belong. You will truly be missed, but forever live in our hearts! Love you Cyn!!
