“ I miss you both. I think about you both a lot. This is for Tish too. There is no page on the internet to leave any comments for her so this is for both of you. Tish I sent you a card with a key chain in it that said "I am always with you". When I got the key chain from Dale after she joined you I thought that was the key chain I sent to her but realized it was your set of keys for the jeep and those were your keys with the key chain i sent to you.. Dale I meant to ask you if you ever got my card with the same key chain in it but forgot. This small gift I gave you both meant a lot to me because I wanted you to know how I felt and how I will always feel. Don't ever forget "I am ALWAYS with you". I love you both so very much. You were too young to go. Thank you for being a wonderful part of my life.
Love,
Stephie
