

Damian Torres

October 19, 1963 - June 6, 2019

Damian Torres, 55, passed away on 6/6/2019 in Lehigh Acres. He was the husband of Olga Torres and shared 35 years of marriage and a father to Natalia Torres. Damian was born in Newark, New Jersey where he lived for 30 years and worked as a truck driver. Damian then moved down to Florida where he continued to work as a truck driver for a couple of years, until he suffered from a heart attack at age 45. He had to undergo the surgical procedure of a CABG x 3 (Coronary Artery Bypass Graft) and the placement of pacemaker. Damián's heart was only working at 25% after that (where the normal is 60-70%). Damian then lived the next 10 years with the continuous symptoms of shortness of breath and fatigue, yet that did not stop him. Damian continued to live his life by raising his daughter, going to parties, fixing up household problems, etc. Damian will always be remembered as someone who was honest, hardworking, kind, blunt, and funny. Following the death of Damian, his wife had to undergo a surgery. Although being in the hospital himself at the time, Damian told his wife to continue with the surgery no matter what happened. He then told his daughter to take care of her mother, finish her degree, and to not give up and to keep fighting. Proving for the last and final time that he will always put others in front of him, as he has always done.

Damian was a kind hearted soul that taught my mother, his wife and I life lessons almost everyday. Thanks to his constant words of wisdom, I feel like I

am ready to deal with his loss. Yes it will be hard and difficult, but he prepared me since I was 9 years old and for that I am grateful. We will love, cherish, and remember you always. For everything you have taught me throughout my life, I thank and love you father. Thank you for fighting through the pain and tiredness all those years. Rest easy Torres, we love you.
