“ *Dear Dana, I have so many great memories of you. I can't believe you are gone. I am so heartbroken, you were so young, such a caring Mom. The struggles you been going through and still have the drive to live and take care of your 3 beautiful kids. Life is not fair, I am so upset. I will miss you forever. I love you. Love, Uncle Glenn*

“ Dana, We spoke about this day not very long ago. I thought you lost your mind talking about it! I never imagined this would happen. I know you are with me now. I can not express how much I miss you and how hard this is on me. I love you so much. I miss my big sister, Danielle

“ Tom and family, I am so very sorry for the loss of your beautiful daughter, mom, sister . . . she is now an angel watching over all of you. I pray your family finds peace and strength at this very hard time. May God bless you all and keep you in his tender care. Tom -- I mailed cash to your home address with a letter. Its not as much as I would of liked to send but I hope it helps you. Stay strong. Dana will forever be in your precious memories of her. Take care.
