“ I remember the first time I met Mama. Mike took me to the house for dinner. She said we were having chili for supper and I said " Yummy" . So dinner time came and she served me up a bowl and i looked at it, kind of weird and she said " Whats wrong"? I looked at her and said..." I thought we were having chili, this looks like Kidney bean soup"! She looked at me with her beautiful smile and a twinkle in her and started laughing...it was one of the most loving and happiest moments in my life. I truly am a better person and man because of her and will never forget her
