“ *I first met Dan when my brother and I were "wrecked" into the 40&8. I always admired what I saw as his calm, cool demeanor, in situations when others could get "squirrely". One of the nicest guys I ever met.*

“ Jan, I just wanted to express my sympathies at the passing of Dan in the next phase of his life. I did enjoy working with Dan and was always certain your opinion was on any given subject. :) We still have the cat that Dan gave us so I can think of a good thought or story each time Tigger (the cat) walks into the room. My thoughts and prayer are with you during your time of loss. Jim

“ It is my privilege as a volunteer here in Lafayette to console and bring comfort to those who are mourning for the loss of their loved ones. I am deeply sorry for your loss. Please accept my sincere sympathy. We can take comfort in knowing that our dead loved ones are resting according to John 11:11 with no pain and waiting for the day when they will be awakened from their deep sleep. What a great day to look forward to. Another promise that is worth waiting for is in John 5:28,29 that says in part "Do not marvel at this because the hour is coming in which all those in the memorial tombs will hear his voice and come out". What strength and comfort we can draw from knowledge of the resurrection hope! And how glad we can be that our dead loved ones who are in God's memory will be awakened from the sleep of death to enjoy all the good things he has in store for them! Meanwhile, we know that God is the God of all comfort and I hope that He will comfort your entire family during this difficult time of yours. Once again, please accept my deepest sympathy and have a blessed day.
