“ No words can describe how I feel about losing our brother in green Daniel Rose. I had the pleasure of meeting him when he was assigned to the Freer Station, and had a chance of knowing him as a true friend this past year when he was assigned to my shift. Rose was with no doubt a leader, hard worker, honest and a wonderful person. I remember he would say that he had no problem working the checkpoint as long as there was plenty of work for him because he loved to work and he loved his job. I truly admired his enthusiasm towards everything he did, and I will miss him very much! My condolences go to the Rose family. I pray for God to comfort you in this very difficult time and bring peace to your hearts. (Romans 14:7-8)

“ Paul, My Family and myself wish to express our deepest sympathies to you, your wife and family. We also lost a son in a tragic motorcycle accident. It's as if a piece of your heart is suddenly ripped out and can never be replaced. As with our son that we lost, the pain can never heal, but the memories live forever in our hearts. God bless all of you and be proud to have had him for the short time that was allowed.

“ I am so sorry to hear about Daniel. You all know how much I loved him. Daniel and I were together since I was 15 until 25 and he was my first love. We were so in love. I loved being his wife and being part of your family. We had so many good memories, which I have been sharing with many people since this tragedy occurred. When I heard this news, I couldn't believe it; my heart was pounding and I was just in such shock. Immediately all of the memories and feelings rushed back and I was just filled with sadness. I never ever stopped loving and caring for Daniel and I will never forget him. We met up a few times after the divorce, too, and I got to see his new house he bought and meet his dog. Even though I was sad we didn't work out, I was so happy for him and proud of his accomplishments. Daniel was a gentleman who always opened my car door, was loving, so funny, such a good cook, a hard worker, loved to hike and be outside, was affectionate and thoughtful, respectful, and he loved his family so much...he especially loved his mama! You raised a very good man, Teri and Paul. He forever has a piece of my heart and he knows that...he always has. I love you Daniel, I miss you and will forever miss you, and may you rest in peace. I will see you again one day.

“ It is with sincerest regret for your loss, that I send my condolences. I had only known Daniel for a short amount of time before his passing (2yrs, as I transferred here from El Cajon Station in San Diego, CA. I had the opportunity to know of Daniel before I transferred, because I also worked with several of his classmates there. I was told to look for him when I arrived here in Freer, and that he was a great guy, and an amazing friend. As it turns out, he was much more than that. I have served with the US Border Patrol for 12 yrs, and because I am one of a very few female agents, my relationship with the men I serve with is very unique. Sometimes I feel like their mom (to the young guys, and sometimes their sister. Always I look upon them as family. I know my words cannot lull the ache you must be experiencing because of your loss of him, but just know that you are not alone. I saw him at the station before he left for vacation. I just joked with him the way I always did. The last few days I have wished so much that I had known it was the last time I would ever see him, I would have told him how much of a great guy I believed him to be, and how much I enjoyed working with him. My thoughts and prayers are with you all.

“ No words can describe how I feel about losing our brother in green Daniel Rose. I had the pleasure of meeting him when he was assigned to the Freer Station, and had a chance of knowing him as a true friend this past year when he was assigned to my shift. Rose was with no doubt a leader, hard worker, honest and a wonderful person. I remember he would say that he had no problem working the checkpoint as long as there was plenty of work for him because he loved to work and he loved his job. I truly admired his enthusiasm towards everything he did, and I will miss him very much! My condolences go to the Rose family. I pray for God to comfort you in this very difficult time and bring peace to your hearts. (Romans 14:7-8)
