“ There is so much I want to say or wish I could have said, but at the end of the day, the only thing that should be said is that I love you. I'm so lucky to have known you and call you family. I'll always remember your patience and sense of humor having to "put up" with a teenage me calling you to tell you the latest gossip or boyfriend problems. Thank you so much for being such a wonderful, caring person for all of us. I'll forever tell everyone how you loved your family, your boys, and life. I will miss you and love you forever, Uncle Danny.

Love, Rachael
