Thank you Linda for celebrating my brother's life. His family is still grieving, and will continue to grieve, over Darrin's unexpected passing. He didn't know how ill he was until he walked into a hospital and being diagnosed with esophageal cancer. I will miss him dearly as I plan on retiring in Fort Myers Beach area in the next few years. Darrin and I always talked about how I would move down there with him some day. Thanks to all who celebrated his life. Sherry LaRosa (sister)

“ Please accept our deepest sympathies over the loss of Darrin. May God provide the family with the strength needed to endure. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. Jworg
