“ Dear Walt and family, Tom and I were so very saddened to just today hear of Daunita's passing. She was such a giving, loving person who will now live forever in peace. Too much to bear for and endure for such a wonderful wife and mother. Little Walt now has his mom back to hold on to forever. God's blessings be with all of you now and days to come. Daunita you now know peace.

“ Walt, StevieAnn and Krysta,
I can't believe that she is gone. I have so many memories of us growing up I can't put them on paper. She was the sunshine in a room and her laughter I will never forget. She taught Sarah her ABC's and colors before she was 18 mos by sitting with her everyday on that blanket and going over the letters and colors. I was so excited when Stevie Ann was born because she was so wonderful with Sarah and now she had her little girl. it didn't matter how far apart we lived she was always in my heart as well as you and the girls. Always know that we love you and will never forget her.

“ To Walt, I just want to say how sorry I am to hear of the loss of your wife. You and I grew up as best friends, like brothers. I remember being the best man at your wedding as you married one of my closest friends and cousin, Daunita. I remember when we joined the Air Force and went our separate ways. I remember the suffering at the loss of little Walt and your dear sweet mother. Today, I am sorry that I could not be there with you again, as we have lost someone we both so dearly love, Daunita. I had no idea the words we shared just a few weeks ago would be our last?I thought we were just catching up. I will miss her saying, ?Hey cuz.? I am really going to miss her. Be strong for your girls my friend.

“ I am both shocked and saddened to hear of the passing of my dear, childhood friend, Daunita. We had the wonderful chance to rekindle our friendship over the past several months and spent quite some time sharing our lives with eachother on the phone. She expressed her love of her children, grandchildren and her husband, Walt. I am regretful that we could not have met again face to face,like we had planned, but I am thrilled to have confidence in knowing that I will see this loving, kind and caring woman in heaven. Until then, I will cherish the memories I have of her and will pray for all those grieving her loss.

“ To Walt and Family, We are so saddened to hear about Daunita?s passing. We will always remember her beautiful smile, her soft spoken words and mannerism. Life, as we know it, didn?t always seem fair for her. It is said, ?God never gives us more than we can handle?, but sometimes we wonder because she definitely was given a lot more than most of us to handle.

Her time here on earth was way too short but she is in a better place and out of heartbreaking pain now. You all will be in our thoughts and prayers. God Bless you ALL and He will be your strength to get through this. May Peace come to each and every one of YOU.
