“ RAINBOWS END
*In everybody's garden
A little rain must fall
Or life's sweetest fairest flowers,
Wouldn't grow and bloom at all.
And though the clouds hang heavy
So heavy. Oh! My friend,
I'm sure that God who
sends the shower
Will send the rainbow's end*

“ *Uncle Gene,
We are very saddened to hear of the news of Uncle David. I have so many memories of the both of you that I will cherish forever. I can't even imagine how difficult it must be for you, but I do know each day it will get easier. I can also tell you coming home to all of us will help... I haven't called because, to be honest I'm not sure what to say... (I know, me not saying anything is unheard of) but I feel like I will be able to express how I feel when I see you.
