“ *When I switched Schools in 5th Grade to Chilton Elementary, Dave was one of the 1st to befriend me. Best of Friends in Grade School, Team mates in Swimming, and carousing in the collage years and beyond. Always well behaved ;) (i.e. We stayed out of jail) Lots of memories from those years. In 1977 I met him in Florida to have a most incredible adventure at Disney World, Fun till they kicked us out, then snoozing in his 51 Lincoln, back for more the next day. Then 10 Years later my new Wife Sue and I met up with him on our Honeymoon and Dave showed us a slice of Florida missed by most visitors from up Nort! I am saddened for the missed opportunities to connect up with him again and knowing that chance has passed. I grieve for his family and friends; we have lost a one of a kind.*

“*Dave was a good friend of mine. He lived with my family after his Ed and Lil moved to Florida. He finished his senior year of high school with us. We had a lot of good times together, some legal, some on the thin line of legality. I hadn't seen him in person for probably 40 years, but we talked on the phone a few times. I'll always consider him a good friend, and I needn't tell you he will be missed.*
