“ *Please accept our deepest sympathy on the passing of Dave. I worked with Dave at Citizens Savings and our families gathered together with some others frequently. He was a good friend and will be missed. Mike and Anne Naylor*

“ *I was a classmate throughout grade school with Dave, and a co-member of The Millstadt Crusaders Drum and Bugle Corp for some 8 years. I always found Dave to be a real gentleman, sensitive to the needs of others, and never heard him say a bad word about anyone. My condolences to his family and friends. He was a real class guy.*

Dad,

It is hard for me to put into words the feelings I have had over the past week. To say that I would like to have a couple more hours to talk would be an understatement! I enjoyed our talks in general and felt I learned several things from you and often went away encouraged. My wish for you is that you weren't in pain during your passing. I will remember the good times dad!

*Love you,
Jeff*

Carol and I were deeply saddened to hear of Dave's passing. He will be greatly missed by all who knew him. Dave was my drum instructor while we were members of the Millstadt Crusaders. He was a good man. His family and loved ones are in our prayers and thoughts during this difficult time.
