“ *Dave - you were one of kindest men I know. A rare gem. Anyone who got the chance to know you in their lifetime was lucky to be around a top-notch human being. You will be dearly missed.*

“ *My husband and I met Dave last year. He came to help us with a problem we were having with our floors. Never met a nicer guy... so full of life, so helpful and so hard working. We were just talking doubt Dave to friends who referred him to us last night. So very sorry to hear of his passing. He will be remembered fondly.*

“ *Heartfelt condolences to the Rein family at the loss of Dave. He was a sweet man and a gentleman. He was the first person we called if we had any projects that needed doing around the house and was a talented craftsman. Every room in our house has something that Dave had a hand in fixing or remodeling. He also loved going to the Rays games and we were always happy to give him free tickets for his family and friends. He often shared stories about his visits with his children and grandchildren. He will be missed. Cindy and Dewey Robinson*

“ *Dave was one of the kindest men I have ever known. He loved telling jokes. He'd get that little grin and you knew the punchline was coming. Then he'd let out that big laugh. When I think of Dave, I'll always think of laughter.*
