“ *We loved you so very much. And, I'm going to miss you so much too. I remember the day you and nanny took me in. You were like my dad growing up. You showed me how to take care of myself, and how to be independent. And, to be a very strong person. I still remember all of your sayings you use to tell me growing up. I remember you were so nice and sweet at times. When we would go out if you saw a donation bucket, or if someone needed help or food. You would always help them. You showed me to always help someone out. I remember also, you were so funny sometimes. You would crack jokes left and right. And, you would have nanny dying of laughter. I am going to miss you so much. But, I know you're in heaven smiling down on us, and watching over us*
