

## Dawn K Iwanski

June 9, 1945 - September 12, 2018

In loving memory of my sister Dawn K. Iwanski who passed away on September 12, 2018 in Venice, Florida. Dawn was born June 9, 1945 to her Parents Cyril and Helen Ricke in Chicago, Illinois. She was a Sister to seven Brothers and two Sisters: Jim, Tim, Lynn, Dennis, Jay, Patti, Kevin, Devin and Denise. She was an amazing Mother to Mel and Mark Iwanski, Nana to Presley, Kaley, Aiden and Luke, Aunt to so many Nieces and Nephews and Friend to so many people. Dawn is predeceased by her Parents and Husband. She will be missed greatly.

Dawn had a good heart, always helping family and friends. She was a very spiritual person and always donating to charities and volunteering her time to many needed causes. Her biggest joy in life was her granddaughter Presley. When she walked into the room Dawn's eyes lit up with joy and love.

"Dawn, I am so glad that I was with you through this struggle my dear sister and knowing you are at peace is all that I can ask. Until we meet again Dawn-Faun. Love, Patti"

“ Dawn was always there in my very worst of time. What an incredible sister she was. From her love of her grandkids to the critters she grew up with. Our goats, chickens and geese taught us the value from our small farm. The seven baby goats, with each being named after one of the 7 dwarfs.

*I recall her early health problems beginning at age four. She spent two years bedridden.*

“ We (Noreen & Ed) met Dawn when we moved into Bay Indies in 2009. She lived directly across the street from us. I always saw this Cute little red head in her front garden early in the morning in either her bathing suit or classy T Shirts Raking, Weeding, Planting, Digging. She was always in the dirt on the ground sweating working her ass off to make her home Beautiful. Pat would come with coffee & then the ball really got rolling. I envyed both of them because I could Never have the strength to do what they did.

I approached Dawn one day & invited her over for coffee. That was It!!! Dawn & I would have coffee & sit for hours daily every morning till afternoon just chatting & laughing, reminiscing, you name it..we talked about it. Dawn became The Sister I never had. The things she would not do for me or anyone else. I had a Blast going to those little gamling nooks with her for hours on end moving from machine to machine. Dawn was Eds Greatest pal. She was Always on his side no matter what our discussions were abput. He loved her & looked foward to seeing her every morning.

Sadly We moved back north in 2015 until this March & hadn't really kept in contact due to my lack of communication. I spoke with Dawn in July because I was thrilled to be back to see my best buddy. She was feeling a bit better as she had just gotton out of hospital. I wanted her to come for coffee however she couldn't as Presley was on her way over. She was Super Excited as she Always was when she was going to see her. We said we would see each other soon. Sad to say I did see her..not the way I was hoping to. Thank you Pat for allowing me too.

I will never ever meet another person that I will be that close or comfortable with. The kindest caring friend I will forever treasure.

Dawn I will never forget you..❤️❤️❤️Rest my Friend
