“ Im sorry for your loss. She has touched the hearts of many,including mine, She will be missed greatly. She is in a better place now, no more pain , sickness or anything. she is in the arms of the angels. they will take great care of her.She is probably looking down on us, hoping we make the right choices, watching over us, wishing she could take away our pain.. we will get to see her again eventually.Even though she may not be here with us physically she will be in our hearts FOREVER
