“ *I'm so glad we got to know Denise. We came from in the same area in Ohio, but we didn't meet until she moved to Fort Myers to marry Greg. She had the warmest smile, and her heart was so kind and caring. We will always keep her memory in our hearts until we see her again in heaven.*

*To the family, we just want to say how very sorry we are, but thank you for bringing this lovely lady into our lives. God bless and comfort you all.*

“ I had the honor and privilege of growing up with you on Waldensa, of being in band with you, of following as you led the marching band onto the field, of watching you grow into an amazing young woman; generating memories with all of us in the “Waldensa gang” that have stayed with me all of my life. What a wonderful childhood we had on that quiet little street, so idyllic that it all seems like a beautiful dream now. You, along with Karen, Janet & Wendy made it the special place it was.

“ I will always remember the fun I had with Denise in sewing class at Wickliffe High. Had my first guacamole & fried ice cream with Denise at Chi Chi's. We all had so much fun that night. Thanks Denise for lending me "something borrowed" for my wedding; you were always so kind. Still want to live at Big Turtle since being at your place, lol. I'll always remember your bright smile & the joy you shared with everyone.

“Denise and I had a special friendship that evolved from common interests- church and Fort Myers Police Department. Our friendship developed initially when the choir was invited to their home every New Year's Eve. Denise had the best NYE parties in Ft. Myers. Our friendship flourished even more when I became a graduate of the FMPD Citizens Police Academy. I loved Denise as my sister-in-Christ as she was such a loving and giving- hearted person. I will miss her dearly. The picture posted was taken when I paid her a visit at work about 2 weeks prior to her passing. Take your rest my sister!❤️ See you on the other side.🙏🏻✝️

“ I only knew Denise from our LG but she was always so sweet to me and would always compliment me on what I was wearing.....I truly did not realize how sick she was and thought she would get better.... “ Denise was a wonderful person with such a friendliness and an ability to bring joy to all who met her. I will never forget seeing her entertain us with a baton routine in her front yard. It was amazing! God brought Greg and Denise back together and even though the time was too short, it was a blessing to see. Our thoughts and prayers to all who love her.

“ I am sorry I did not get to know Denise well; however, I do know she brought a huge sparkle to Greg's eyes when she re-entered his life. It was a blessing to watch the love they had for each other and the care she took in choosing just the right color of shirt and tie for him for ensemble performances :). I pray that new and old memories will be a comfort, and I know she will be sorely missed by the very many who loved her!
