“ I was very saddened yesterday to hear about Denny's passing and I know he will be missed greatly by Virginia and his family. I have to admit though that shortly after hearing this, I knew that my dad, Don, and Denny are now riding their motorcycles together across the sky -- glad to be together once again. It was a friendship that absolutely stood the test of time. He was a dear man and very much a part of my life growing up. My love to Virginia and the entire family.

Love,  
Kelli Harley Mink (and family)

“ My deepest condolences to Dennis' family. My parents (Bernita and Carl Clum) were friends with Dennis' parents (Dorothy and Alva) back in the 50s when we were teenagers and the families would get together from time to time I recall a water skiing outing with Dennis, Marilyn, Phil and Stevie (who was my youngest sister's age) and the Dises. May God give comfort and strength during this difficult time.

“ I am very sorry to learn of the passing of Denny. We were friends from Burton Jr High School, South High and through our teen years. I still remember his Mercury, it was outstanding. I wish to extend my sympathy to Virginia and the Family.
