“ I have wonderful memories of the Hurlburt family,his wife,and the dog. They had the best honey and more varieties than most locals. I recently went out to get my honey and was surprised to find the house closed up and even more surprised to learn of his passing. My deepest sympathy to his family and friends. I've enjoyed talking with them and supporting them and their bees over the years.He will be greatly missed as his wife and dog were in years past.

I was so sorry to read of Deo's passing. He was a gracious man, always willing to take time with me over the best honey in the Rochester area. I will miss him. I hope someone told his bees and is taking care of them.

“ Deo you will be greatly missed, your outgoing personality and friendly attitude, our trips to gaming venues, and dining out, loads of laughs! Until we meet again ❤️
