*Tribute given on behalf of myself , dear husband and our daughter Zoya
Even though death is inevitable it is always very difficult to accept the passing of one so young , in our culture colloquially speaking , she has not started to live her life yet.
My pet name for her was Di Di and when she was a child I was the only one apart from her mother who was allowed to comb her hair
We do not know the circumstances leading up to her demise , but we are confident that she experienced severe grief at the recent passing of her father She loved both her parents passionately and never failed to express her feelings of love and affection on every occasion possible
But what she will be remembered for
By all of us will be her Bubbly
Personality and her impeccable manners
Our grief for one so young, one so Brilliant , one so articulate, and one so kind can never be short lived yet life goes on , so we ask the Guardian Angels to lift her up to her final resting place
May her soul Rest In Peace.

“Dee, you will always be remembered for your spunk and sass. It was a pleasure working with you, even when times weren't always pleasant. I thank you for your dedication and efforts and always being willing to help the team for the better. I'm going to miss sharing recipes with you and I appreciate your growing hands for growing some of the sweetest Papaya's I've ever tasted. You will truly be missed and I'm appreciative of the short time I was able to spend with you. Sleep in peace!

“ *Dearest Sharon and Family,*

As we go through the journey of life, we must remember the impressions we leave behind. Diane and my kids were neighborhood friends and rode the school bus together. They shared laughter as well as supported each other. Diane will always be remembered by my family as a pleasant and happy young lady with an infectious smile and bright future. Our hearts are broken having heard from her uncle, Neville, the sad news she had passed. Be comforted, Sharon and family, that Diane is in a better place and you will see her again. Our sympathy and prayers that you will be comforted.

Rest In Peace, Dear Diane until we meet again.

From the Anderson and McAllister family of Stone Mountain, Georgia.
