“ How can anyone put into words how much you have meant to us during your short time on this earth. Our lives will never be the same without you. No parent should have to lose their child, let alone two.

Although it has been difficult, we are trying not to question the Lord's wisdom. He must have needed you more than we did, even though this is hard to comprehend.

Our daily call from you will be missed the most. What we would'nt give to hear the phone ring and hear "Ma, what are you doing?" just one more time.

The only thing keeping us going is the belief we will be joining you and Michael soon. The hole in our heart will never heal. Whoever said time heals all never lost a child.

The outpouring of love from friends and family has been overwhelming. So many calls and letters expressing their love for you has helped us in our grieving. You were loved by so many.

We cannot bear to say goodbye, but rather, we will see you soon. Until then, we will cherish our many fond memories and love the legacy you have left behind in your children and grandchildren. You would have been very proud of how they have handled themselves. Amongst everything else, you were a terrific parent and role model for your children and neices and nephews.

Until we are reunited once again,

Mom and Dad

“ Although we were miles apart, I always cherished you as my cousin and had you in my heart. I know our Lord has his arms wrapped around you with so much love in his eyes for you. Your Dad and Mom can take comfort knowing they too in time will be putting their arms around you and Michael.

“ Diane what a beautiful picture of you. I will miss you, but I have the special feeling knowing that you are going to watch over me and that gives me peace of mind. You are my angel and I know that someday I will see you again and when I do I know that GOD will not be able to take you away from me then.

“ *Beautiful picture of Diane. I always admired her style and confidence. One comfort you can take at all in this situation is that she was raised in a fun, close, and supportive family with brothers and a sister that loved her very much. She will be missed.*

“ To Diane's family,

My love and prayers go out to each and everyone of you and all the friends she had. She touched us all with her laughter, generosity and wonderful spirit and will be missed by all. Her legacy is the beautiful family she was brought up in and raised on her own. She was a shining star and I will hold each and every precious memory forever in my heart. Heaven just got another beautiful angel. God bless.
