“ *"And gladly wolde he lerne and gladly teche" I am so proud to call you Dad. I have the best memories - from Chaucer to Thais - and so many more. You taught me so much - almost everything I know that is important. May your rest be peaceful and joy overwhelm your soul. May the coffee be hot and the dates always fresh. I love you and miss you, Dad. Barbara "nothing is true but life and the love of human beings"*
