“ *Always be humble and kind.
Be good to everyone.
Try to put yourself in other people's shoes.
Don't lie.
Help people in need.
Pray to God every chance you get.
Love everyone.*

Daddy it has been over a year now since you passed. I wish I could say it gets easier but it does not. There is not one day that goes by that I dont laugh or cry when I think of you. God only knows how much I miss you and I will remember your grin and smile because it would light up the room everytime and you will always light up my life. Rest in peace daddy for we will see each other one day. I believe that. I believe in Jesus
