“ You will be sadly missed my brother from another mother. Ill not forget when we moved to Florida the first time, you stayed and I came home. Sometimes I wish I would have stayed with you there. I will never forget the great times we had and I will miss you more than anyone will ever know. I cant believe I wont get to talk to you again. I love you brother!!! I wish I could have been at the memorial you deserve all life had to give. I could always depend on you.

“ I will forever hold him close to my heart. His love, loyalty and devotion to those he loved was incredible. His smile and personality was larger than life. There are just not enough words to express how very much I'll miss him but at the same time I'm so blessed to have shared so many fun times, sad times, quiet times and story times with him. My love and condolences to everyone who loved him as much as I did.
